A MESSAGE FROM OUR BOARD PRESIDENT

Frank D. Guardini President

What a difference a year makes, or in my case, three years!

Three years ago, when I was asked to serve on our Board of
Directors, I was honored to do so as I knew United Way was doing
good things in our community. What I failed to realize was how much I didn't know about
how our United Way functioned, how many people were involved and the vast number of
local residents who are helped by what we do. My first two years provided an education
primer and this past year as board president spiked that learning curve to a new level.

This thought didn't occur to me three years ago, but before a person makes a decision or gets involved, he/she should form the habit of asking themselves a simple but important question: "How will this affect my life, and others?" For me it has been a most worthwhile experience that has opened my eyes to the needs of our community. I've gained an appreciation for the strength and dedication of volunteers and forged a valuable association with tremendous people who form our United Way team.

While those 'teammates' are dedicated to our mission 'mobilizing resources to improve lives', they do much more than that to help strengthen the resolve of our human service Program Partners working to improve the lives of thousands of local residents faced with life's difficulties. The individual stories of those we have helped provide the inspiration well worth the perspiration along the way.

The year ahead will be bittersweet as longtime Executive Director Scott Lowery and Office Manager Deb Machamer will be headed towards well-deserved retirements. Their efforts on our behalf have been immeasurable and they will be missed. While we wish them well, we will be welcoming new leadership and emerging opportunities, as well as challenges. We will continue to pledge our commitment to making our community a better place to live, work and raise families.

I look forward to working with all of you as we continue to help others 'the United Way!'

A MESSAGE FROM OUR EXECUTIVE DIRECTOR

Scott N. Lowery Executive Director

As has been the case each year since our 1922 founding, the United Way community concept of providing the means by which thousands of our friends and neighbors receive vital human services essential to their well-being has been the mission we have continually served.

The number of people helped is staggering, 28,656 during the past year, but numbers themselves do not tell the individual stories of the difference United Way is making in their lives. The adult overcoming illiteracy, the first-time mother giving her newborn a healthy start in life, the senior citizen maintaining an active lifestyle and the homeless family provided shelter and hope chronicle the mission our contributors and volunteers are helping us achieve daily.

It is not a road easily traveled, but its ultimate destination is worthy of all the time and effort so magnificently given by the thousands of donors, hundreds of volunteers and the handful of staff who not only give united, but live united. thus achieving a better community by what we all are doing together.

It has been my pleasure and honor to serve the objectives of our organization over the past three decades, including the past 12 years as our Executive Director. Saying thanks for all you have done cannot accurately express my heartfelt appreciation, but please know my words of thanks are sincerely genuine. The many daily relationships will be missed, but what you have helped us achieve together will continue to improve the lives of so many local residents who are better off because of Lycoming County United Way.

A MESSAGE FROM OUR CAMPAIGN CO-CHAIRS

John & Margaret Piper Campaign Co-Chairs

The Lycoming County United Way has a remarkable mission.

It brings together a multitude of volunteers around the central purpose of meeting a wide variety of social needs of our community. They review programs, raise funds to meet the needs defined by the programs, and then allocate the funds. During the past year, 34 programs have partnered with our United Way.

The mission would not be possible without the volunteers and partners, but it reaches beyond them. The mission is the general welfare of the people of Lycoming County. Yes, that means more than 25,000 people served by the partners, but it really means all of us, for the mission is to enhance the health and welfare of all of us. When the United Way was founded in 1922 as the Community Chest, the vision was that helping those in the greatest need really helped everyone by creating a better community.

We have been moved by the testimonies of many of those served, and by the determination of many of the volunteers, especially those on the Campaign Cabinet, to visit individuals and companies and ask for funds. This marks the 37th year that the campaign has passed the million dollar mark. We also thank the United Way staff who has been tireless in their efforts this year.

We welcome Rob Glunk, who has agreed to be the Chair of the upcoming Campaign. We look forward to working with him to continue the mission of our United Way.

A MESSAGE FROM OUR NEIGHBORS

Katrina Wilkins Sullivan County

Once again, Sullivan County residents have come forward to help their neighbors in need. The 2016 campaign will close raising \$40,000+ for Sullivan County Program Partners. Our donors continue to amaze us with their generosity. We thank all of our donors, both residential and corporate, for their continued support and acknowledgement of the great work United Way provides to our residents.

Our current program partners are the Sullivan County Food Pantry, Sullivan County 4-H (providing scholarships and day camp) and Friends of the Sullivan County Library (providing a children's reading program and adult programming). This year, 2017, we will add two new programs. We are excited to include Sullivan County Victim Services (care for kids program) and Sullivan County Action (dental assistance program) as beneficiaries.

We continue to educate and inform our residents of the fundamentals of United Way. As we build our reputation in Sullivan County, we continue to prove to our citizens the United Way is a positive force to enhance our local residents' lives.

The Sullivan County Advisory Board appreciates the support and guidance of the administration and staff of the Lycoming County United Way. Thank you!

Brian Tevlin Tioga County

Since beginning our partnership with Lycoming County
United Way three years ago, the transformation process from
a United Fund to a United Way has achieved positive results in
Wellsboro and southern Tioga County. Following the United Way
allocation guidelines, funding is being provided to nine human service
programs impacting the daily lives of 3,065 Tioga County residents.

As we continue to educate the public and provide services for those in need, the expansion of our mission throughout Tioga County remains a sought-after objective: Living United, giving locally to help locally creates better communities for everyone. We are proud to be a United Way family member and greatly appreciate the support and guidance Lycoming County is providing for our Tioga County community.

TOCQUEVILLE SOCIETY

United Way of America created The Tocqueville Society to honor people who have served their communities at extraordinary levels and given immensely of their time, talent, and resources.

The name was chosen because of the vision of French historian Alexis de Tocqueville, who recognized, applauded, and immortalized the voluntary spirit that lives in the hearts of Americans in his early 19th century writings in "Democracy in America." Initiated by United Way of America in 1984, the local Tocqueville Societies recognize individuals or couples contributing \$10,000 or more annually to the United Way Campaign.

Local Society members are also members of the National Tocqueville Society, receiving benefits such as invitations to Tocqueville Leadership Weekends and other events, and the unique position of United Way as one of the world's premier philanthropic organizations, which can be used to convene community business and civil leaders focused on the building blocks of a good life.

With heartfelt appreciation for our local Tocqueville members:

PETER HERDIC SOCIETY

Williamsport's premier entrepreneur, for whom LCUW's leadership giving program is named, arrived in the city in 1853 and soon after began his real estate ventures on farmland west of Hepburn Street. Herdic was already involved in the lumber business and on his way to becoming a millionaire when he built his Fourth Street home. Eventually, he owned part of nearly every business in town, including the water works, gas works, newspaper, the Susquehanna Boom Company, and the Herdic House Hotel. He was the third mayor of Williamsport. He's known for his philanthropy and also for being the inventor of a horse-drawn carriage called "the Herdic," the forerunner to the taxicab.
